Dear Allen:

The quotation in which you were
interested is as follows:

"It may be very right to give
the British public this informa-
tion, but if they choose to have
it, they ought to know the price
they pay for it and the advantage
it gives the enemy in all their
operations."

Wellington

Thanks for sending me the material
so promptly. I will return it to you
next week.

Faithfully yours,

Lewis
